THE MONEY MARKET.

THE MONEY MARKET.

Banks are finding plenty of employment for available funds in connection with the grain movement. The clearing house reports show a larger amount of business doing than ever amount of business doing than ever from 6 in Sper-cent, the former price being obtainable only by first class accounts.

FINANCIAL NOTES.

FINANCIAL NOTES.

The annual statement of the Molson's Pank as presented at the 46th annual meetin. held at Montreal on the 22nd of Octooer makes a very favorable showing. The net earnings after counts amounted to \$523,886.51, which was equal to 14.15 per cent, on the capital account. Divident of the counts amounted to \$523,886.51, which was equal to 14.15 per cent, on the capital account. Divident of the country of the co bonus.

INSURANCE

WHY INSURE AGAINST FIRE?

WHY INSURE AGAINST FIRE?

First—Because it is good business foresight for self-protection. Second—Because debtor is in duty bound to take all reasonable precaution to protect creditors interests, and ton to protect creditors interests, and tent of tred granted in all of debtors' assets, and insurance on merchandise up to a large per cent, of its value is of vital importance as one of the means to reduce to a minimum possible loss in assets.

INSURANCE NOTES.

The Great West Life has passed the \$13,000,000 mark. Last month was the best October for business since the company was started.

company was started.

The Algoma Mutual Life Insurance Company is to be formed into a joint stock company and its field of operation will be extended to take in all of New Content. New Ontario.

Pred Gill, accountant in the Winni-peg office of the Confederation Life As-sociation, has been appointed Brandon agent. Before leaving Winnipeg this week he was presented with a gold headed umbrella by the management

and staff here.

A dispatch from London says: "The formal announcement of the provisional agreement for the amalgamation of the Alliance Assurance company, the Imperial Insurance Company, Limited, and the Imperial Life Insurance Company is expected within a few days It may be stated on absolute authority that the matter is practically settled." that the matter is practically settled.

The boards of trade of a large number of leading cities of the United States will send representatives to Washington, to solicit the interest of the president in the matter of closer trade relations between the United States and Canada
