To Propasson Hollowar,
Sir,—Gratitude compais me to make known to you the
extraordinary benefit an axed parent has derived from the
use of your Pills. My mother was afflicted for upwards
of four and twanty years with asthma and spiding of
blood, it was quite axony to see her suffer and hear her
cough. I have cled declared that I would give all I possessed to have cared her, but although I paid a large sum
for meticine and advice, it was all to no purpose. About
three months axo, I thought pethaps your Pills might
benefit her, at all events I resolved to give them a trial,
which I did, the result was marvellous by slow degrees
my mother became better, and after persavering with
your remedies for nine weeks, she was perfectly cared,
and now enjoys the best of health, although seventy-five
years old.

AFTER BRING TAPPED THREE TIMES. Copy of a Letter from Anthony Smith, Esq., Halifax, Nova Scotta, dated the 25th August, 1854.

Nova Scotta, dated the 25th August, 1854.

To Professor Holloway.

Sir,—I desire to add my testimony to the value of your Pills, in case, of dropsy—For nine months I suffered the greatest torture with this distressing complaint; was tepped three times, and finally given up by the doctors: have ing become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity and commenced using thom. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two mends, I was completely cured. I have alnoe enjoyed the best of health.

I am, Sir, yours sincerely.

Town, Prince Edward's Island, dated 17th Nov. 1854. To Professor Hollowar.

Sir,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also much deranged for the whole of that time. It tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks, I was cured, after every other means failed, to the astonishment of my neighbours, acquaintances, and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.
