A MARVELLOUS REMEDY

FOR A MARVELLOUS AGE!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment for sure readily penetrates through any bone or any fleshly part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSPHELAS, RHEUMATISM AND SCROBULOUS HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heels, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SCROBLIGS, SCROBLACTS, WOUNDS & ULCERS.

Some of the most serious eruptions now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of scroblig, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has despatched to the East large shipments of this Ointment; to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, fistula, or contraction of the joints, even of 2 years standing.

PILES AND FISTULAS.

These and other similar increasing complaints can be effectively cured if the Ointment be well rubbed in over the parts affected, and by the way following the printed directions, twice in each day.

Both the Ointment and Paste should be used in the following cases:
