 Life Association . . .*

The Mutual Reserve Fund Life Association of New York have recently increased their deposit with the Insurance Department at Ottawa by the sum of one hundred and fifty thousand dollars, now making over a quarter of a million dollars deposited with the Dominion Government for the security of its policy-holders in Canada. This will, no doubt, be gratifying to the Canadian policy-holders, as evidencing the good faith on the part of the association and its ability to meet all the requirements of the Insurance Department at Ottawa.
