A MODEL RAILWAY.

The Burlington Route C. B. & Q. R. R. operates 7,000 miles of road, with termini in Chicago, St. Louis, St. Paul, Omaha, Kansas City and Denver. For speed, safety, comfort, equipment, track and efficient service it has no equal. The Burlington gains new patrons, but loses none. 7-2

The application of electricity to the production of brilliant effects on the dramatic and operatic stage opens a new era in scenic representations. The sun, moon and stars, clouds, hail, rain and snow, sand storms of the desert, flower gardens fire-floes and almost everything involving color, light or shade, are represented with a versimilitude which has never before been equalled.

A Merchant writes; 'Minard's Liniment has saved many from a terrible death here, as diphtheria has been very prevalent. Minard's Liniment cures it every time when taken internally and externally. For Congestion and all Throat and Lung disease it is equal to a doctor in the house.'

It is estimated that 200,000 bushels of cranberries which New Jersey will market will realize \$100,000,000.

LIONS ABOUT.—It is a dangerous thing to trifle with a cold. A darkey preacher once told his hearers that 'he thanked God that the devil went about as a roaring lion, seeking whom he might devour. He might catch a poor fellow who didn't know that he was near him, but when he heard the roar he could get out of the way, if he didn't he deserved to die.' So when one hears the wheeze or cough which tells of the old lion of consumption lurking around, he should fly and get Minard's Liniment and use it freely on the chest, and take Minard's Honey Balsam internally, and get out of the way of danger. These preparations are well known, having been tried for 30 years and are acknowledged by all who use them to be unsurpassed in their soothing and healing properties at all times.

THE TEACHEPS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada, Oct. 8th, 1890.

Price only 30 cents per annum.

Brimful of interesting matter every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.
