

6. If the Secretary-General's Special Representative deems it necessary, UNTAC, in consultation with the SNC, will undertake investigations of complaints and allegations regarding actions by the existing administrative structures in Cambodia that are inconsistent with or work against the objectives of this comprehensive political settlement. UNTAC will also be empowered to undertake such investigation on its own initiative. UNTAC will take, when necessary, appropriate corrective steps.

Section C. - Military functions

1. UNTAC will supervise, monitor and verify the withdrawal of foreign forces, the cease-fire and related measures in accordance with annex 2, including :

(a) Verification of the withdrawal from Cambodia of all categories of foreign forces, advisers and military personnel and their weapons, ammunition and equipment, and their non-return to Cambodia ;

(b) Liaison with neighbouring Governments over any developments in or near their territory that could endanger the implementation of this Agreement ;

(c) Monitoring the cessation of outside military assistance to all Cambodian Parties ;

(d) Locating and confiscating caches of weapons and military supplies throughout the country ;

(e) Assisting with clearing mines and undertaking training programmes in mine clearance and a mine awareness programme among the Cambodian people.

2. UNTAC will supervise the regrouping and relocating of all forces to specifically designated cantonment areas on the basis of an operational time-table to be agreed upon, in accordance with annex 2.
