Dear Minister:

I have the honour to refer to your Note regarding an addition to the Headquarters Agreement of the North Pacific Marine Science Organization of a provision for employment in Canada for dependants of officials of the Organization.

I have the honour to agree with your proposal to amend Article 8 of the Headquarters Agreement, by the addition of a third paragraph which would read as follows:

" 3. Members of the family forming part of the household of officials of the Organization may be authorized to hold employment in Canada, subject to conditions established by the Government of Canada."

I have the further honour to agree that this Note, which is equally authentic in English and French, together with your Note, shall constitute an Agreement between the Government of Canada and the North Pacific Marine Science Organization, amending the Agreement of January 8, 1993, regarding the Headquarters of the North Pacific Marine Science Organization, which shall enter into force on the date of this reply.

Please accept, Minister, the assurances of my highest consideration.

Yours sincerely,
