

Section 3. *Other holders*

The Fund by an eighty-five per cent majority of the total voting power may prescribe:

- (i) as holders, non-members, members that are non-participants, and institutions that perform functions of a central bank for more than one member;
- (ii) the terms and conditions on which these holders may be permitted to accept, hold, and use special drawing rights, in operations and transactions with participants; and
- (iii) the terms and conditions on which participants may enter into operations and transactions with these holders.

The terms and conditions prescribed by the Fund for the use of special drawing rights by prescribed holders and by participants in operations and transactions with them shall be consistent with the provisions of this Agreement.

ARTICLE XXIV

ALLOCATION AND CANCELLATION OF SPECIAL DRAWING RIGHTS

Section 1. *Principles and considerations governing allocation and cancellation*

(a) In all its decisions with respect to the allocation and cancellation of special drawing rights the Fund shall seek to meet the long-term global need, as and when it arises, to supplement existing reserve assets in such manner as will promote the attainment of its purposes and will avoid economic stagnation and deflation as well as excess demand and inflation in the world.

(b) The first decision to allocate special drawing rights shall take into account, as special considerations, a collective judgment that there is global need to supplement reserves, and the attainment of a better balance of payments equilibrium, as well as the likelihood of a better working of the adjustment process in the future.

Section 2. *Allocation and cancellation*

(a) Decisions of the Fund to allocate or cancel special drawing rights shall be made for basic periods which shall run consecutively and shall be five years in duration. The first basic period shall begin on the date of the first decision to allocate special drawing rights or such later date as may be specified in that decision. Any allocations or cancellations shall take place at yearly intervals.

(b) The rates at which allocations are to be made shall be expressed as percentages of quotas on the date of each decision to allocate. The rates at which special drawing rights are to be cancelled shall be expressed as percentages of net cumulative allocations of special drawing rights on the date of each decision to cancel. The percentages shall be the same for all participants.
