ADVISORY COMMITTEE ON PROTECTION OF THE SEA

AND

5 March 1998

Dear Colleagues,

**GLOBAL LEGISLATORS ORGANISATION FOR A
BALANCED ENVIRONMENT (GLOBE)**

I would like to thank you once again for your attendance at our Stockholm Conference 'Towards Enhanced Ocean Security in the Third Millennium'. It is with the greatest pleasure that I now enclose a copy of the Final Report. Please note that the Stockholm Action Strategy (which contains Part A: Stockholm Action Strategy on Ocean Security, and Part B: Portfolio of Action Processes) is enclosed in Annex 1.

I sincerely hope that you found the conference of interest and use, and I look forward to hearing any comments which you may wish to share. Please note that you have had a chance to read the report, including the Final Report, at the various working groups where you did not participate. Please note that the Final Report will be published by the Swedish Parliament in the near future. Copies of the Final Report will be sent to you as soon as they are available.

**REPORT
OF THE CONFERENCE**

**TOWARDS ENHANCED OCEAN SECURITY
INTO THE THIRD MILLENNIUM**

The Final Report will be available in the Swedish and in Cape Town (30 November - 4 December), 1998. In addition, we have also begun considerations of how to address other issues in the context of shipping.

I would also like to ask you if you require any additional copies for submission to your Government, academic institution, regional organisation, or other relevant body in your country. If you do, I would be most grateful if you could let us have details of your contact information and a telephone number.

Thank you very much for your cooperation.
