CANADA PLACE, EDMONTON, ALTA.

Question No. 514—**Mr. Rodriguez:**

Is the Government carrying out construction on Canada Place in Edmonton and, if so was the work tendered and (a) if so (i) on what date did the tendering take place (ii) how many tenders were received (iii) which firm or firms won tenders and for what amount (b) if not, what method was used to select the construction firm or firms?

Hon. Bill McKnight (Minister of Labour): The Government is not carrying out construction of Canada Place in Edmonton.

(a)(i)(ii)(iii) Not applicable.

(b) The project is being developed as a "lease-purchase" project, and under the terms of the contract the developer will lease the site from the Government of Canada for a term of 50 years, design and build the project, and lease 61,000 m² of space to the Government for a period of 35 years, with options to purchase at 20 and 35 years.

The project was tendered by means of a two-stage lease-purchase proposal call. The first stage invited interested developers, by means of a nation-wide newspaper advertisement, to submit information regarding their organization, their ideas regarding the development of the site, and the consultants and contractors they proposed to employ, together with information regarding their financial capability to undertake a project of this magnitude. Twelve developers responded to this invitation.

Seven developers were selected to participate in Stage II, which was the proposal call proper, and three developers submitted firm proposals. These proposals were evaluated on the basis of cost and design quality. The successful tenderer was Trizec Equities Limited, Calgary, Alberta.
