

*Adjournment Debate*

May I take this occasion to wish all Members and staff of the House and the media the top o' the morning. I mention the media because not only are they aware of the blarney, they bottle and sell it for a living. And so a tip of the hat in honour of the day and the Saint himself for all those of Irish background, whether they come from Riviere du Loup, Killarney or Byelorussia, which is a suburb of Tralee.

The "ayes" have it, and this Sunday the "ayes" will be Irish "ayes" and they will be smiling when those two Irishmen who are going to Quebec City shake hands in honour of the day and St. Patrick.

*[Translation]*

The motion to adjourn the House is now deemed to have been adopted. Accordingly, this House stands adjourned until tomorrow at 11 a.m., pursuant to Standing Order 2(1).

The House adjourned at 6.26 p.m.
