Professor Walter Rautenstrauch,
Professor of Industrial Engineering,
Columbia University,
New York City.

Dear Professor Rautenstrauch,

Let me thank you for your prompt reply to my letter of the 21st and for so kindly consenting to change the date of your Montreal address to April 24th. I am sure, however, that it would have been regrettable had the two lectures been on the same evening, as a great many people would have wished to hear both.

I have informed the Board of Trade of your communication to me.

With all kind wishes,

I am,

Ever yours faithfully,

Principal
