

THE OLD BREWERY BAY
ORILLIA

My dear Sir Arthur

Chignecto canal: yes, very likely you're
right. I'll take another think. If I
decide to drop it, - to prevent it looking
like shilly-shallying - may I quote
your letter confidentially to Dr. Manion.

.....

Agricultural Economics & Macdonald
College. I am much interested
in this: know exactly what to do
& will do it at once when I return.
Two of our staff (Eulliton & myself)
are interested, he in western agrarian
stuff & I in central Canada.

Very best regards
