Herbert Marler, Esq., M.P.,  
House of Commons,  
Ottawa.

Dear Mr. Marler:-

May I thank you very much  
for your kindness to Dr. Dawson, his colleague  
and the students who visited Ottawa this week.

I cannot help feeling that  
it was rather an imposition to ask you to under-  
take to look after them, but I assure you that  
we are very grateful for all your trouble.

Yours faithfully,
