

REPORT

—OF—

The Session of Knox Church, Ottawa,

Submitted at the Annual Meeting of the Congregation,
held January 8th, 1880.

There is little of special interest which, as a Session, we require to note in our Report of the year just closed.

Whilst the spiritual life of the Congregation has not been as strong and active as it should have been; yet in reviewing the year that has gone, there is much cause for thankfulness to God for the measure of success vouchsafed to His own cause among us; for the preserving care He has exercised over us; for the grace with which He has sustained those whose path through the year has been marked with trials and sorrows; and for the peace and harmony which have characterized our congregational life.

It has pleased God to remove from us, by the hand of death, a respected member of the Congregation, Mrs. Alexander Blyth, whose end was peaceful, and bright with the assured hope of a glorious immortality.
