CORNER YONGE & ADELAIDE STS.

MUST HAVE NON-GLARE LIGHTS.

Of interest to every motorist is the bill regarding non-glare headlights, which has received royal assent and becomes effective in 60 days. It provides that all motor vehicles must have a non-glare device, which must be approved by the provincial department of public works. An engineer from Toronto University and a special staff will be attached to the department, to which inventors, dealers and others, interested may bring their devices for approval. Any motorist who uses a device not approved will be found guilty of contravening the motor vehicles act.

RACE TRACKS AND STOCK TRANSFERS.

The government's bill fixing the tax to be paid by race tracks is now in effect, the bill having been assented to by the lieutenant-governor. The new tax on stock transfers is also now

15 Yonge Arcade,
Toronto.

in force. It provides for the payment of 3 cents for every \$100 share of stock transferred instead of 2 cents, as heretofore.
Under the new law one-mile running race tracks will pay \$7.50 per day, half-mile tracks \$2,500, and harness race tracks \$10.

FOR NEW HYDRO PLANT

Kitchener, May 20.—(Special.)—It was announced here today that the Kitchener Light Commission is calling for tenders for the erection of a new Hydro distributing station of 4500 kilowatt capacity.

BABY'S IDENTITY A PUZZLE

No clue as yet has been found to the parentage of a little baby boy left at the door of a house on Cottage Row on Main street, Weston. The child has been well taken care of in at least three homes, but the authorities are in a quandary about a permanent home for him. Foster parents came, but they wanted a girl baby.

YORK COUNTY AND SUBURBS

BRANCH CENSURES G.W.V.A. COMMAND READY FOR RACING AT THORNCLIFFE

Not Properly Represented by Counsel in Action for Big Four Money.

Many Improvements to the Grounds—Some Horses Already Stabled.

President A. W. Marshall of the Rivedale branch, G.W.V.A., tendered his resignation owing to ill-health, by letter read at the regular meeting in Oddfellows Hall, Broadview avenue, by Secretary Hawkins last night. Comrade Marshall's decision was accepted with regret, and a vote of thanks was tendered for his valuable services. It was decided to receive nominations for the vacant office at next meeting.

The litigation concerning the moneys collected in the recent Big Four drive was discussed at considerable length, and the following resolution was unanimously adopted:

"That the branch protest against the inaction of the Toronto District Command G.W.V.A. in not being independently legal representation of the Big Four drive, when the matter of the Big Four funds was heard before Justice Middleton, and be it resolved that a letter be sent to the Toronto District Command through District Secretary J. V. Conroy, calling upon them to engage eminent counsel to represent the branches interested who were again coming before Justice Middleton on 28th inst., when all correspondence in the possession of the command having reference to the Big Four drive shall be laid before the judge, and that all members who assisted in the collection of the moneys be subpoenaed to appear in this case.

Specifically mentioned. The money collected was specifically for the Y.M.C.A., G.W.V.A., Toronto command, Citizens' Separation League and the Community Services.

We strenuously protest against officials of other organizations being elected as trustees of this fund and that an injunction be immediately applied for to set aside all moneys subscribed that were specially earmarked for the G.W.V.A."

It was also decided to pass a vote of censure upon District Secretary J. V. Conroy for his neglect of duty in this most vital concern; also that a special joint executive meeting be held immediately to secure counsel in the interest of the G.W.V.A.

Comrade Percy stated that as one of the prime movers in the drive, the G.W.V.A. was the soldiers' organization represented at the meeting, a number of other people interested themselves in the fund. Comrade Penny understood that a certain proposition was made to the G.W.V.A. for the establishment of five club houses, and that all soldiers might avail themselves of the club privilege. A. C. Dunwell, vice-president, occupied the chair.

TELLS IMPORTANCE OF SALUTING FLAG

Rev. F. E. Powell, school trustee, ward one, will address the school cadets today in Bolton Avenue School on the importance of saluting the flag, and the cadet movement in the public schools. The cadets will exercise in preparation for Empire Day, going thru their various drills.

In connection with the shooting contest at the Armories, Bolton avenue cadets succeeded in obtaining third place, in competition with the city schools.

Bolton School to Erect Memorial to Fallen Ex-Pupils

A memorial tablet to the memory of the former pupils of Bolton Avenue School who enlisted for overseas and paid the supreme sacrifice, will be erected in the school and unveiled with fitting ceremony during the month of June.

SILVERTHORN WOULD EXTEND HER BOUNDARY

Silverthorn Ratepayers' Association met last night in the G.W.V.A. Hall, a good attendance of ladies being present. It was decided to extend the northern boundary of the district to Beachboro Grange, an appeal coming from residents in that locality asking co-operation for protection in local affairs.

Distress cases caused a request to be sent to the township council for a relief grant. The amount of \$15 was reported having been applied to one last week. A father and mother both in the hospital, with three children depending, received the immediate application of \$15 more. A third case, a mother bereaved and having four children, was also given a similar amount. The treasury reported \$50 on hand.

It was decided to buy red ribbon for the Silverthorn children for field day, the teachers and trustees to be notified accordingly, as confusion of colors had counted against competing schools. President H. Southworth was in the chair.

SILVERTHORNE G.W.V.A. ACTIVE

G.W.V.A. of Silverthorne met on Wednesday night in their hall on Silverthorne avenue. The meeting was largely preparatory for a membership campaign. A committee in charge of building a terrace in front of the hall reported progress, but not sufficient to warrant setting the date for their picnic. The hall has been used this week as a school for the kindergarten children of this district. This is considered the first step in Silverthorne being separated from S.S. No. 23, of which, along with the two schools of Mount Dennis, it is a part.

FIRE BRIGADE BENEFIT

The benefit for the Mount Dennis Volunteer Fire Brigade, given by the Maple Leaf Theatre recently, resulted in the sale of over one thousand tickets. Returns are still incomplete.

A large gang of workmen are busily engaged in putting the finishing touches on Thorncliffe race track, in preparation for the opening on May 31. Leading from the roadway to the grand stand, a board sidewalk has been laid, 10 feet wide, in place of the cinder path. The course has a smart appearance, with its new fences freshly painted and track in first-class condition. A large number of horses have already arrived, and everything points to a successful season for the lovers of the sport of kings.

"BACK TO THE KITCHEN"

But it Must Be Twentieth-Century One, Says Mrs. Hector Prenter.

A meeting of the women of the Oakwood Branch of the Independent Labor party was held yesterday afternoon in Oakwood Hall. Short addresses were given by Mrs. Hector Prenter and Mrs. Rose Hodgson. The need of women understanding more clearly the relationship of modern politics to home conditions was dwelt on by both speakers, while Mrs. Prenter declared that no self-respecting woman would be interested in the "back-to-the-kitchen" movement, unless it was a twentieth-century kitchen, with none of the stigma hitherto attached to that department of work. She looked forward to the time when such comforts as vacuum cleaners and other sanitary and labor-saving devices would be found more frequently in the places where they were most needed—the workingman's home. A very animated discussion followed, and plans for educational and other work were considered. The meeting was presided over by Mrs. R. J. Dillon.

Hold Benefit Concert to Reduce Church Mortgage

A well-attended benefit concert was held in St. Barnabas' parish hall, corner of Danforth and Hampton avenues, last night, when the following artists contributed an excellent musical program: Miss Sternberg, classic national dancer; Miss Irene Humble, soprano; Miss Alma James, reader, and the Card Brothers.

A feature of the evening was the clever sketch by the St. Barnabas' Players.

Rev. F. E. Powell, rector, occupied the chair. The entertainment was held under the auspices of the Hoasters' club of the parish guild, whose aim is to reduce the church mortgage of \$12,000 by an annual donation of \$500.

BILLETTS ARRANGED

All arrangements for billeting the 600 out-of-town delegates to the big Christian Endeavor convention, to be held in St. John's Presbyterian Church, Broadview avenue, shortly, has been completed by the committee in charge.

FAVOR OPENING BLOOR

Resolutions favoring the opening of Bloor street as a third entrance to Toronto, have been passed by the U.F.O. of Dixie, the Fruitgrowers' Association of Dixie and the township council of Toronto and Etobicoke.

DAYLIGHT SAVING GETS HARD KNOCK

Principal Noble of Bolton School, Says It is Injurious to Children.

Principal Noble of Bolton Avenue School expressed his decided disapproval of the daylight saving scheme in conversation with The World yesterday. Mr. Noble declared in his opinion that the measure was detrimental to the children and also the mothers.

The pupils come to school fagged out thru lack of sufficient sleep, and the best results cannot be obtained as under normal conditions by the teachers. "It was scarcely necessary to disturb the routine of little children's lives, even if the world at the present time is topsy-turvy," said Mr. Noble, who added that children will not go to bed in daylight, and if sent to bed cannot be forced into sleep by any civic bylaw.

REV. PETER BRYCE DECIDES TO RETIRE

After fourteen years' work in the Earls Court district, Rev. Peter Bryce, who is retiring from the Earls Court Central Methodist Church, is to be tendered a farewell social. Mr. Bryce came to Earls Court when it was known as "Shacktown" or the "mud hole," and has been identified in the up-building of the district. He was responsible for the building of the present church after the members moved from the frame building which is now being used as a temporary public library. Rev. R. C. Crowley Hunter, formerly assistant pastor with Mr. Bryce, is now the regular minister of the church, where he is doing excellent work, the membership constantly growing. The Sunday school in connection has a membership of nearly two thousand, and all other departments of the church are flourishing.

SALVATIONISTS APPEAL FOR FUNDS

The local Salvation Army are requesting assistance for the final drive which finishes today in connection with the anti-delinquent week. Interested residents are asked to meet this evening at the Salvation Army hall on St. Clair avenue, so that arrangements may be made for the throo canvassing of the district. Earls Court has always contributed liberally towards the army's work and there is every indication that this year will exceed all previous efforts.

OAKWOOD BEGINS BOWLING

The Oakwood Lawn Bowling Club will begin the bowling season on Saturday next, May 29. The lawn is in splendid condition for play, it having been well kept during the winter months. The membership of the club is growing, and the usual prizes will be competed for again this year.

CLOSING DAYS FOR POSTOFFICE

The postmaster-general has given permission for the Earls Court post-office, on St. Clair avenue, to be closed each Wednesday at 1 p.m. during the months of June, July and August. Most of the stores on the "hill" are falling into line for this early closing.

TO MAKE JUTLAND PLANS

To make final arrangements for the Jutland battle anniversary, the Earls Court branch of the Navy League and executive committee of the British Imperial Association will meet at the Royal George Theatre this evening. J. R. MacNeil and Gersom Willis are the respective presidents. It is expected that prominent navy men will be on the list of speakers. Earls Court is making big efforts to form a boys' naval brigade for the new Canadian navy, a part of which will soon be on the way from the mother country. These, with the ships to be built at cost of \$25,000,000, adopting Lord Jellicoe's recommendation, will make the nucleus of a fair-sized navy. The big meeting, which is to take place in the Oakwood Theatre on Sunday, May 30, will draw at least two thousand people from the patriotic Earls Court district.

DUFFERIN TEAM DANCE

The Dufferin team of York Township Baseball League held a euchre and dance last night at Oakwood Hall, Oakwood avenue. There was a large attendance. President Armstrong presented the prizes to the successful winners. Singing and music followed the dancing. The Oakwood Orchestra furnished the music.

Unions Refuse to Handle War Munitions for Ireland

London, May 20.—The Dublin correspondent of the Exchange Telegraph Company says that in consequence of the English dockers having telegraphed that they had refused to load war munitions for Ireland and the Irish Transport Union having decided not to unload munitions, should they reach Dublin, the military officer in command at the port today interviewed the harbormaster and later went to headquarters to confer with his superiors on the situation.

Two vessels with war materials are expected at Dublin one from Liverpool, the other from Southampton.

CHINESE MASONIC LODGE

Trail, B.C., May 20.—Trail Chinamen entertained a number of the leading officials of their Masonic organization order in this province, the occasion being the institution of a Chinese Masonic Lodge here. Over forty resident Chinamen are members of this order, and have purchased a building here for their own lodge.
