

## PROCEEDINGS OF LABOR CONGRESS.

In reference to the payment of the per capita tax, we would suggest that the delegates make it a personal matter to see to it that their organization remain in active affiliation with the Congress and impress on their local bodies the importance of prompt payment of per capita, so that the executive officers may be in a position financially to do the work delegated to them by this Congress.

We recommend that in the printing of the annual reports the same course be taken as last year (1,500 in English and 500 in French), the work to be given to the lowest tender.

All of which is respectfully submitted.

H. LA FORCE LANGEVIN, *Chairman.*  
PHILIP OBERMEYER,
