MANY CASES OF DUPLICATION OF THE NAMES OF STREETS

"East St. John" or "St. John East" to make sure that they will cross the harbor. They do, but sometimes they keep right on to Crouville.

The same trouble exists in connection with several places in the province which have similar names. This is avoided as much as possible and the postal lists show additions to the usual names to distinguish them. The additions are not always illuminating, however. For instance, there is a Riverside in Albert county and another in Kings county. To distinguish them the post office in Kings county appears in the official lists as "East Riverside," quite oblivious of the fact that it lies many miles to the southwest of the other post office of the same name.

THURSDAY'S PATRIOTIC FAIR AT SEASIDE

The Patriotic Fair of next Thursday at Seaside Park is occupying the attention of a good many people on the West Side these days, and all that is required now is good weather to make the affair a grand success. Yesterday the chairman of the fair committee was busy signing on assistants to look after the attractions on the midway. With substitutes to relieve during meal hours, it is said about forty men will be required for this department alone.

The first trip made by the merry-go-round each day of the fair will be free to the kiddies, so no doubt there will be quite a scramble among the little tots to be on hand early. Races will also be run for the children's benefit, and for which handsome prizes are offered.

Every effort is being put forth to make the day a memorable one and indications point to a record breaking crowd even central part of the city mark them

LOCAL NEWS

A CHALLENGE.
T. S. Simms & Company's baseball team wish to challenge the All Stars to a game to take place on next Saturday afternoon on the Shamrock grounds.

A FINE EXAMPLE.
A correspondent of the Times in Campbellton, writing of the recruiting there, says that in that district they have enrolled since the war began 480 men, twelve officers and two aviators. What other place in the province can match this record?

ON MOTOR BOAT TRIP.
Messrs. G. H. Waldron and Walter Miller of St. John arrived in Fredericton on Sunday on the motor boat Minota, of the St. John Power Boat Club. Their headquarters, while in the city, are the A. & B. Club, and they will spend a week on the river before returning.

GEO. DUPLISEA WRITES OF LONDON SIGHTS AND OF FOLKESTONE

"Dip" Sends Observations on Matters Which He Contrasts With Home Conditions

An interesting letter has come to Walter H. Golding, manager of the Imperial Theatre, from Staff Sergeant George Duplisea of the Army Service Corps—Dipp, as he is better known. He writes:

Newgreen Camp, Aug. 4.
Hello Walter,
I thought I would drop you a line for old time sake. Well, we are having some time here, and this is some country. It is like a big city full of little parks. The scenery is fine, but little old St. John, N.B., is good enough for me any time and that is what all the St. John boys think as well. Let us look at what we go to at night called Folkestone. It is a seaside resort. There is a big pier with a skating rink, hoop-la, casino and all the games that one would see at the fairs at home. But I don't see any pigpie shop.

When I go there I look around to see if I am not dreaming. It looks so much like old time when we were on the "Midway" at the St. John Exhibition with the bunch. To make it more like the good old time we see flying machines all around the place and they are in the field next to us at times. Believe me, they are some machines.

We have had some dandy weather here, but tonight it is raining hard. When we was in Canada they told us that everything was so cheap here, but somebody lied. When you go into a store the first thing they do is to look at your shoulder badges and if it says "Canada" it's all off, you pay well for what you get. I hate to knock, but when you go into a restaurant (that is if you can get into one, for they close at meal time), you see your choice of ham and eggs or Gold Flake cigarettes. It is cold ham and hot eggs and if you ask for pie they give you a large piece of something full of sawdust. That is as near as I can describe it. A real old St. John pie over here would be a novelty.

It is funny to us to see the girls and women go into the shops and buy the latest fashions, some of them go up to the door with a baby carriage full of children and books. Hat Hat (that was common here a good joke "in those days"), and ask for their pint of beer and stand on the side-walk and drink it. This is the life of the kiddies, who, by the way, have quite a taste for it. It is like Castoria—they cry for it. I have had a splendid time here. I have been promoted to staff sergeant, and have charge of all the horses. It is some good job. Major McKean, Lieut. Rankin, Lieut. Pidgeon, Roy Harding and all are looking fine, and all hands are enjoying the adventure. This is the life.

Well, I would like to be in St. John again, but not till we clean up that bunch of huns they call Germans. We are going to do so, too, for we came over here to win. You know what that means when a Canadian says it. We all feel the same way about it. Well, I will bid you good night, with my best wishes to you and my friends in St. John.

I remain, yours truly,
"DIP"

MISS MCKEIL SENDS THANKS FOR MONEY SENT

Contributions For Comforts For Soldiers Under Care of Fairville Nurse

A letter was received yesterday by relatives in Fairville from Miss Theodora McKeil, nursing sister in France, thanking all who had so generously responded to her appeal for funds to buy comforts for the wounded soldiers in her care at the hospital. She mentions that the money received will be used in the very best way and if the donors only could know the gratitude of the men for any little favors, they would feel amply compensated for their contributions.

A recent order in the regulations is mentioned in a postscript to Miss McKeil's letter stating that letters written home from now on must not be published. In keeping with this Miss McKeil's interesting letter is not printed in detail.

Morgan of Lakewood; and Miss A. McManus of this city. The funeral took place on Thursday morning, August 19, at St. John's church for solemn high mass of requiem at 8 o'clock.

The ceremony with which the Pythians decorate the resting places of their departed brethren is simple but impressive. Kneeling at the graveside, after completing a floral cross, they uncover their heads and repeat in unison: "In fulfillment of the promise made at thy open grave, and because we have a kindly remembrance of thee, in the name of Pythian friendship, we bestow these symbols."

Following the general decoration of graves in Fernhill the Knights will form a circle near the centre of the cemetery where an order of exercises will be gone through, including the singing of hymns, prayer and oration. Past Supreme Prelate Col. James Munton of this city will make the memorial address.

The Knights will meet at Castle Hall, Germain street, at 1:30 o'clock and their guests will be headed by the two member companies. St. Mary's and Temple of Honor bands will play. Quality will be collected tomorrow (Wednesday) and volunteer corps of Knights and their ladies will bunch them artistically at the graveside. Carriage Co. warehouses, afternoon and evening and Thursday forenoon.

When Buying a Bed Spring the Best is None Too Good

The Hercules is absolutely guaranteed never to sag, and the basket edge, which cannot be obtained on any other spring, keeps the edge of the mattress square and prevents spreading over the edge.

This adds wonderfully to the durability and comfort of the mattress, and this feature alone would make it worth while to insist upon having the "Hercules."

And the prices are moderate, \$5.85 for all-steel frame, and \$4.50 for wooden frame.
