Says Discussion in Council Not Justified by Facts of Case

THE CORRESPONDENCE WITH APPLETON GIVEN

C. N. R. General Manager Says Plans Being Hurried for New Construction

> Hon. Dr. W. E. Foster said this norning that he felt the discussion yesterday morning at the committee meeting of the council in regard to the non-fulfilment of the promises made by Sir Henry Thornton for development at this port was hardly justified by the facts of the case. He pointed out that work had already been done on the removal of the rock at the Pettingill wharf and plans were now being prepared for the new train shed.
>
> On June 22 Hon. Mr. Foster wrote to W. U. Appleton, general manager of the Atlantic Region of the C. N. R., asking how soon active work would be commenced on the erection of the train shed.
>
> REPLY RECEIVED. vesterday morning at the committe

REPLY RECEIVED.

Yesterday, when he arrived home from a holiday trip, he found the following letter awaiting him:

MONCTON, N. B.,

29th June, 1926.

10n. W. E. Foster, P. O. Box 836,
Saint John, N. B.:
Dear Mr. Foster,—Replying to your letter of the 22nd instant, inquiring how near we are towards active work being commenced in connection with the foundations for the new train shed at Saint John. the new train shed at Saint John.

The work of boring to determine what foundations would be necessary has been completed and the information forwarded to Montreal, where the foundation plans are now being prepared. In some cases the boring extended to a depth of 80 feet and the character of the foundations required is so difficult that it will require a great deal of study. I understand, however, that everything possible is being done to hurry the plans and that when they are completed tenders will be invited for the work.

Yours very truly,

Yours very truly, W. U. APPLETON, General Manager. ASSESSMENT CUT

year.

As there were a number of children in the district not attending school regularly, the meeting voted to begin to force the Compulsory Attendance Act, so as to deal with such cases.

The secretary stated that there was quite an amount in arrears in taxes, and he was instructed to press for payment of these arrears.

John Whelan, the retiring trustee, was unanimously chosen as trustee for the next term of three years.

The same teachers are returning to the schools for next term, Miss Dorothy Norwood and Miss Agnes Koehan to the Glen Falls school, and Miss Jessie Gilliland to Brookville school.

Was Prominent Boat Builder Days

IN SAND POINT SHED

D. L. McRoberts, reported by Police Officer Corvec for not heeding a traffic stop signal, appeared before the magistrate this morning, and made an explanation which was accepted and the case dismissed. Another link with the old ship-building days in Saint John was broken this morning when Charles F. Knight, of 65 Portland street, one of the oldest residents of the North End, passed away suddenly while at work in No. 15 shed, West Saint John. Mr. Knight, who was born on December 20, 1954, was a son of the late Benjamin T. Knight. In his younger days he was prominent as a ship builder, and he also spent a great part of his time at sea. He was then engaged with Miller, Moore & Co., which was one of the outstanding firms in the shipping and boat-building life along the Atlantic coast. Recently he has been engaged with the government in looking after the repairs and upkeep of the terminal sheds at West Saint John, and it was while he was busy at this occupation that death came suddenly this morning.

Nathan Jacobson paid a fine of \$10 in the Police Court this morning on the charge of driving his car at an excessive rate of speed in City Road. Detective Saunders told of following the defendant's car in his motorcycle from Pond street to the Marsh Bridge, and the speed was 35 miles an hour. Being a life long resident of the North End, Mr. Knight was well known and enjoyed the esteem of a large number of friends. He also was prominent in Masonic circles, being for years a member of Hibernia Lodge, No. 30, Knights of Pythias, No. 31. He also was a member of No. 32. He also was a member of No. 33. Hook and Ladder Company in the North End, Mr. Knight was well known and enjoyed the esteem of a large number of friends. He also was prominent in Masonic circles, being for years a member of No. 33. He also was a member of No. 34. He also was a member of No. 35. He also was a member of No. 36. He also was a member of No. 36. He also was a member of No. 36. He also was a member of No. 37. He also was a member of No. 38. H

IN SCHOOL DISTRICT

Miss Willa McLaren entertained delightfully on Saturday last at her summer home, McLaren's Beach, the guest of honor being Miss Nelle Dalzell, of Vancouver, B. C., who has returned to Saint John after an absence of nearly four years. Among those present were the Misses Nellie Dalzell, Gertrude and Willa McLaren, Sabra Vincent, Nina Browne, Ethel Barle, Vera Mitchell, Martha Murray and Hilda Carpenter.

CASE POSTPONED

Hymen Slovitt, charged with receiving stolen goods knowning them to have been stolen, appeared in the Popointed chairman of the meeting and H. G. S. Aams secretary.

A general discussion of affairs of the school district took place, and assessment for the coming year was placed at \$8,700 as against \$4,000 the previous year.

As there were a number of children in the district not attending school regretation.

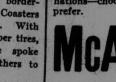

Mr. Nugent is bringing the action on the ground of trespass, asking for an injunction to restrain defendants from going on the property maintaining that they have damaged the property by breaking down fences and forcing other parts of the premises. The property involved in the suit is one on which the Wood Lake Fishing Club is situated and the defendants are members of this organization. The plaintiff claims to be the absolute owner of the property.
