The Natural Wealth of Canada

Minerals

Canada's coal deposits are estimated to contain 17 per cent of the world's reserves and 71 per cent of the reserves of the British Empire. Canada has one of the greatest zinc mines in the world, the greatest deposits of nickel and asbestos, and gold, silver, copper, oil, and many other minerals in abundance. In its basic mineral wealth Canada has the essentials for great and prosperous industries.

The Bonds of this Corporation are designed to meet the needs of all classes of investors. They are issued in sums of \$100 and upwards for terms of one or more years. They are made payable on any date desired, and may be renewed at maturity.

You cannot invest your money more safely than in these bonds, which bear a specially attractive rate of interest, for which coupons, payable half-yearly, are attached.

The experience of more than sixty-seven years has brought to bear upon the investment of all moneys and the selection of securities.

CANADA PERMANENT MORTGAGE CORPORATION
New Brunswick Branch, 63 Prince Wm. Street, St. John, N. B.
R. F. WRIGHT, Manager. T. A. McAVITY, Inspector

To Holders of Five Year 5 1/2 per cent Canada's Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5 1/2 per cent interest, payable half yearly, of either of the following classes:—

(a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.

(b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmaturing coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
Minister of Finance.

Dated at Ottawa, 8th August, 1922.
