HOCKEY.

Tonight's Game.  
Toronto, March 28.—Although St. Patrick's will not be able to use Eddie Gifford in tonight's game they are supremely confident of the result, as they believe they are now in their usual stride. Harry Cameron, one of the leading goal getters in the N. H. L., will be back in his usual place on the defence, but Ken Randall, the star local forward, will not be able to play. The demand for seats has never been exceeded.

LAUDS CANADIAN STAND.

Boston, Mass., March 27.—Canadian hockey authorities are absolutely correct on the controversy which exists between the United States and Canadian officials and which has held up the proposed international series for the Willis trophy.

WHILE DISAPPOINTED OVER THEIR ACTION.

While disappointed over their action in the Boston arena, which had visions of acquiring many thousands of dollars through such a series, and by local hockey fans of Canadian blood, many who are displeased by leading the opposition to witness many of their countrymen in such important roles, time will prove what a blessing such a move was for the good of hockey in this country.

THOSE OF CANADIAN BIRTH WHO ARE RESPONSIBLE FOR THE CLUBS.

Those of Canadian birth who are responsible for the clubs Westminister Hockey Club are indeed pained to a regrettable degree, for, in addition to losing the possible glory of a world's title, they will miss the lucid percentage cut in the gate receipts, which, under our amateur system, falls to the lot of contesting teams.

BUT CLEAR-HEADED AND FAIR UNITED STATES HOCKEY FOLLOWERS.

But clear-headed and fair United States hockey followers, who disapprove of what amounts to a control of the game by a few hockey and league approval of the importation of Canadian players at the expense of developing a truly United States game, and they are in the majority by far, applaud the Canadian authorities for their fine and absolutely correct action.

FEW, IF ANY, HAVE OBJECTION TO THE WESTMINSTER CANADIANS PERSONALLY.

Few, if any, have objection to the Westminister Canadians personally, but it is the miserable system under which the game is conducted here.

IN THE FOURTH.

Milwaukee, March 28.—Dave Shado, California welterweight boxer, scored a technical knockout over Pinkie Mitchell, local lightweight, in the fourth round, when Shado landed a haymaker, and the referee said Mitchell was not on his feet at the count of ten.
