Help Yourself

Every last dollar should be hard at work today in productive enterprises—promoting Canada's great and necessary expansion—helping to ensure continued prosperity.

Among the million buyers of Victory Bonds in Canada were manufacturers and business men who bought them as a business reserve. Now, when expansions are necessary, some of these bonds are being sold and become available. In buying a portion of these you provide the ready cash which ensures expansion and capacity production. You help yourself indirectly by participating in the general prosperity. You help yourself directly by turning idle funds into profitable earning funds.

Every idle dollar is a brake on the wheels of commerce. Put your money to effective work. Victory Bonds are beyond all comparison the best investment in Canada. They may be secured in seven maturities and may be bought in amounts varying from \$50 upwards.

Your orders will receive our best attention.

TORONTO VICTORIA CHICAGO NEW YORK

Lieoman Shocked, Smokes. Hammond, N. J., Sept. 21.—Although

nearly killed when a shock of high voltage passed through his body while he was at work on a telegraph pole, Angelo

Cappuccino insisted upon smoking a cigar while he was put aboard an express train and rushed to the hospital.

Why are People So Indifferent about Sleep

TO watch some of your friends, you might think sleep was the most unimportant thing in the world.

Yet every man could earn more, would enjoy his work and play more, if he would make sure of a good, sound sleep every night—all his nerves and muscles relaxed, and storing up new energy for the day.

And if he wakes up tired day after day he'd better look to his sleeping equipment—the wooden bed that squeaks; the metal bed that rattles; the old-fashioned spring that sags and sways; the lumpy, unsanitary mattress and pillows.

You'll never get the right kind of sleep except in a sturdy, noiseless bed, with flat, resilient spring, a soft, even mattress and clean pillow, all inviting you to relax and go soundly to sleep.

The truly noiseless Bed is the Simmons Metal Bed—built for sleep.

Just as the sleep-inducing Spring is a Simmons "Waldorf," of specially tempered spring coils. Fine springs that fit the contour of the body

and support the spine in a straight line, insuring perfect circulation and restoring the energy used up in the fatigue of the day.

Simmons Felt Mattresses are the result of twenty-five years' study of equipment for sound, natural sleep. Made of pure, new cotton in clean, sun-lit factories. Used in thousands of fastidious Canadian homes.

And Simmons Pillows, which rest the head and neck exactly as they need to be rested.

Simmons Limited is a specialist in Twin Beds—a pioneer in that fine modern principle of a separate bed for each sleeper.

Simmons Metal Beds, Brass Beds, Springs, Mattresses, Pillows, Day Beds and Children's Cribbs are the most sought after sleeping equipment in leading stores right here in town.

The prices are little if any higher than for the ordinary.

And when you are selecting your Simmons Beds with an eye to their appearance in the room, you will see that Simmons has for the first time established beautiful and authoritative design in Metal Beds.

Sleep is a big subject! Write us for the booklet, "What Leading Medical Journals and Health Magazines Say about Separate Beds and Sound Sleep." Free of charge.

The "CAMBRIDGE" Design 1964—In Twin Pair Made of Simmons new Square Steel Tubing—seamless, smooth and beautifully finished. Exquisitely enameled in the accepted Decorative Colors. Has the Simmons patented pressed steel *noisless* Corner Locks. Easy rolling casters. Your choice of Twin Pair and Double Width. Specially pleasing in Twin Pair.
