KEEP EYE ON THE MONCTON BOYS, SAYS GAZETTE

Moncton, March 11.—The advent of the Moncton team into Stanley cupdom is looked upon by many local hockey fans as a joke.

"Hockey in the maritime provinces has, in the last two years, improved fully one hundred per cent, and the youngsters from Moncton or the 'Speed Boys' as they are dubbed in the east, have proven their worth in several bitter struggles this season.

McDonald, a Texas shortstop, who is getting a tryout with Cincinnati at Columbus, Ga., is said to resemble Joe Tucker in looks and action on the ball field.

Connie Mack does not seem to be worrying about the Athletic field. It has even been stated that he is willing to stand fixture on the Athletic field.

The latest player to turn his ankle is Bob Beecher, the champion baseball runner of the National League. He received but a slight sprain.

Not for Boston. Boston did not bid for the annual regatta of the National Association of Amateur Swimmers.

When laundering sash curtains, starch them only part way up, as the rod can be more quickly inserted with less danger of tearing the curtains.
