Harold Russell killed in Action

A message was received here from Ottawa this week conveying the sad intelligence that Pte. Harold Russell, with a Canadian Ammunition Column in France ever since the outbreak of the war, had been killed on Aug. 15th. The entire family are on the Labrador, and the sad news was sent to them by the Rev. S. Bennett. One after another our boys are paying the awful price of this war in giving up their lives. What are we at-home doing? The message follows:

Ottawa,
Aug. 25, 1917.

Isaac Russell,
Country Road.

"Deeply regret to inform you that our Gunner Harold Albert Russell, artillery, officially reported killed in action August 15th, 1917."

Director of Records

Royal Visit to the Nfld. Hospital Wards

At the meeting of the Committee of the St. John Ambulance Association, held Monday afternoon in the Chief Justice's Chambers, the President, Sir William Herwood, read a letter received from Lord Ranfurly informing the Committee that the Queen recently visited the St. John's Hospital at Etaples and inspected the Newfoundland Wards. Her Majesty afterwards unchained at the Hospital with Lord Ranfurly and expressed her great approval of every thing. This Hospital is said to be second to none in its Medical and Surgical appliances and in its treatment of the sick and wounded. Newfoundland supports two wards there, and at the time the letter was written there were Newfoundlanders among the patients.

Shelters have been provided by the Cot Fund at Giford House and also in France to enable the wounded to receive open air treatment. At Giford House some of the occupants are men of the Newfoundland Regiment. The Shelters being opened in France is in connection with a Hospital at Le Treport.

Convicted of Manslaughter

Edward Warren, who was arrested last winter at Burgeo, charged with the murder of a young woman with whom he had been keeping company, has been found guilty of manslaughter by a special jury at Burgeo, which was tried by the Supreme Court in circuit, and was sentenced by Judge Kent to six years imprisonment with hard labour. It will be remembered that sometime after the death of the girl in question, suspicion was aroused that foul play had been used, and the body was exhumed, and an examination of it made by a doctor, who found marks on the throat. Warren was thereupon arrested and information implicating him gradually came to light.

Miss Emily Gray, of Coley's Point, arrived home from Boston, Mass., about two weeks ago. Miss Gray's sister is very ill.

W. P. A. Meeting

NEWS IN A LINE

Capt. George Mercer, of Mercer's Cove, who has been away ill for the past eight months, is not improving. His many friends are hoping that the means used for his recovery will yet be effective.

Miss Lynn Butt, who has been Principal of the Meth. Sup. School here for the past two years, was recently appointed Principal of the Methodist Superior School at Harbour Grace. Miss Butt returned from a three week's visit to Bishop Falls Saturday night. She begins her new duties on Sept. 3rd.
