SPORTING MATTERS

The St. Peter's went down before the St. Rose's last evening in the InterSociety contest by a score of 11 to 10.

The game lasted five innings, and Jack
O'Toole, with two out and the score
tied, batted in the winning run with a

clean hit to left field.

This is only the second game that the St. Peter's have lost since the league opened, and loose playing was chiefly responsible for their downfall last evening, although the boys from Fairville played a plucky game, batting out eight hits and had but three errors in spite of the fact that they were up against about the strongest team that the St. Peter's has put on the field this season. Hodd of last year's St. Peter's, who has recently returned from Quebec, where he has been playing this season, was in the box for the St. this season, was in the box for the St.
