TORONTO YOUTH GETS THE CANADIAN HIGHWAY MEDAL

First Prize for Good Roads Essay is Won by S. Cieman; Westminster Boy Second; Two Third Prizes--St. John Girl is Awarded Silver Pin.

New Westminster, June 11.—After an exhaustive examination lasting over two weeks, the judges selected to award the prizes in the Canadian Highway Association Essay Competition on "What Good Roads Mean to Canada," have today submitted the report to President W. J. Kerr, donor of the gold, silver gilt and silver medals. The winner of the first prize is S. Cieman, of 263 Major street, Toronto, whose paper is exceptionally good for a boy under 18. The second prize winner is Albert Watson, (17) of New Westminster, David Teviotdale (14), 32 Bellamy street, Edmonton, and Chris Lanoville (under 18) of South Vancouver, tied for third place, and in order of merit came Mabel Byres, who each receive a silver medal. Next (15) 860 Grosvenor Ave., Winnipeg; Gladys Guild, (14) 529 Sinclair street, Edmonton; Leonard Murchison (16), Harrison Ont.; Velma Welch, (16), 842 7th Ave., West Vancouver, B. C.; Bessie Fraser, (15), 264 11th street, Edmonton; E. Stanley Scott, (16), 1418 25th street, Edmonton, Alta.; Annie Shore, (15), North Vancouver, B. C.

The interest taken in the competition exceeded all expectations, no less than 462 essays being received from Canada and quite a number from England, including nine from the Park street school, Brighton.

The majority of the essays reached the office of Secretary P. W. Luce, on May 14 and 15, some of the papers

coming in by express, others by parcel post. Several schools sent in from ten to thirty essays, evidently the best of a number written by the students of that institution.

The judges were Messrs. J. W. Cunningham, B.A., editor of the British Columbian, a graduate of Toronto University, and for several years teacher in Ontario schools; Charles A. Sutherland, a newspaper man of many years' experience, and J. W. Luce, a large number of essays were thrown out on the first reading, and they gradually dwindled down until about 70 papers remained. These were carefully considered by the judges, and the best 11 picked out. Mr. Cieman's essay was easily first among these, but the difficulty arose in awarding the second and third prizes. Each paper was critically examined, and the judges finally decided on the awards as above mentioned.

In addition to the medals, President W. J. Kerr announced some time ago that he would give a silver souvenir pin to every entrant whose essay attained a certain standard of merit. Seventy of these pins will be awarded, including one to the youngest essayist, Master Thomas Bird, who has sent nine numbers on the west coast of Vancouver Island.

Mildred A. McAlone, 227 Main street, St. John, submitted the best essay from that city, and is rewarded with a silver souvenir pin. Five essays were received from St. John.

WOMEN'S AILMENTS CAUSED BY NEGLIGENCE

Are Quickly Cured and Robust Sound Health Restored by Dr. Hamilton's Pills.

Women are on the whole more sickly than men. One reason is that their system is more complicated; another more important reason is they put off measures of relief too long. At the beginning, constipation is the cause of nine-tenths of women's ailments. The blood becomes weakened and polluted—the nerves suffer and a run-down condition takes root.

Because of their mildness of action as a system regulator, because of their undoubted power to remove constipation, irregularities, no medicine for women can compare with Dr. Hamilton's Pills. The kidneys quickly respond to the remedial action of Dr. Hamilton's Pills and the result is as you would expect—pain in the back and side, shortness of breath, and bad color disappear—the functions of the body then operate naturally, congestion and pain are prevented and perfect health returns.

Thousands of happy women say Dr. Hamilton's Pills are the greatest and best blood-purifiers, the finest complexion renovator, the most certain regulating medicine known. All dealers in 25c. boxes, or the Catarrhose Co., Kingston, Canada.

Before Judge McKewen in Chambers yesterday, an interesting case under the Assignment Act was heard. It appears that one William Deuchais who had been carrying on a tailoring business in Chipman, Queens county, for the last few years, became insolvent last fall and owed at that time something over \$600 to Messrs. Barlow, Mongenais and Co. of Montreal, and about \$400 to Messrs. Clayton and Sons of Halifax, besides other creditors. In November last Messrs. Clayton and Sons asked for payment of security from Mr. Deuchais and he refused, stating he was insolvent and that if he gave security it would be giving them a preference. Some two weeks later he returned goods to the amount of \$350 to the traveller for Messrs. Barlow, Mongenais and Co., and fifteen days later assigned for the benefit of his creditors. The other creditors disputed the right of Messrs. Barlow, Mongenais and Co. to rank for the balance of their claim and the assignee was instructed to contest the same. This application was made through Messrs. Weldon and McLean, attorneys for Messrs. Barlow, Mongenais and Co., for the purpose of allowing their claim to rank. H. H. Pickers for the assignee, opposed the application.

Mr. Justice McKewen after hearing argument held that the delivery over of the goods clearly created a preference and was therefore void, and

Y.M.C.A. OFFICIAL RESIGNS HIS POST

A. R. Pixley will Remove to States - Has Done Good Work Among Boys of the City.

Announcement was made yesterday of the resignation of A. R. Pixley, Boys' Work secretary of the Y.M.C.A. Mr. Pixley has been in the employ of the local association since last August and has made many friends in the city who will regret his departure. During his brief residence in St. John Mr. Pixley has taken an active part in all work connected with the boys of the city. Besides his official work in connection with the Y.M.C.A. he has been active in the Boy Scout association, and was deeply interested in the development of the playground movement, and also in the Industrial Home.

Mr. Pixley said last night that he intended to take up Y.M.C.A. work in the States. He will leave for Springfield, Mass., July 2nd, where he will be a participant in a happy event to take place in the near future. No arrangements have yet been made as to Mr. Pixley's successor.

The death occurred in this city yesterday of Mrs. Phoebe Ann Clark, widow of the late George Clark. The deceased was in the 87th year of her age and is survived by three daughters, Mrs. Lealie L. Clark of Boston, Mrs. Joseph Stackhouse and Mrs. Chas. R. Clark of West End. The funeral will take place at 2:30 Thursday afternoon from the residence of Chas. R. Clark, 195 Guilford St. W. E.

Lots of Fools.

A popular clergyman recently delivered a lecture to his parishioners assembled upon the interesting subject of "Fools." There was a large audience, and the rush for seats was very much augmented by the form in which the admission tickets were printed.

The inscription ran thus: "Lecture on 'Fools.' Admit One." that the right to rank for the remainder of the claim was barred.

CLOSING EXERCISES AT EDGEHILL SCHOOL

Ideal Weather Conditions Prevailed and Proceedings Passed off in Excellent Shape—Reports were Read

Windsor, N. S., June 18.—Ideal weather prevailed today for the 21st annual closing exercises of "Edgehill," the church school for girls. The concert, distribution of prizes and lady principal's report constituted the events of the forenoon and the callisthenics on the lawn was the interesting feature of the afternoon. The concert was composed of part songs, pianoforte quartettes, violin and piano solos and songs by the pupils. The splendid performance of each reflected the utmost credit on the school. Canon Vroom, in the absence of Bishop Worrell, read the list of prizes. He congratulated the lady principal and school on the splendid year's work and particularly praised the thoroughness of the instructors. Rev. W. E. Vroom, editor of Church Work, made an admirable address to the school. There was a large attendance of parents and friends of the pupils.

The News in Short Meter LOCAL.

Rough House at Rethasy.

Reports from Rethasy indicate that several dubious young men from the city created a disgraceful scene in the Kings County summer resort on Saturday night. They raised considerable disturbance about the village and going to the railway station proceeded to take charge of it. Unfortunates who met a resident of Rethasy whose muscular development is equalled only by his general good nature and he succeeded in knocking several of them out.

Police Court.

In the police court yesterday the case against Wilhelm and Benjamin Hild, charged with interfering with Constables Blair and McBeatty in the discharge of their duty was taken up. Several witnesses were heard and the men were fined \$100 each. The fines were, however, allowed to stand pending their future good conduct.

Gets Important Position.

Major General J. S. Cowans, grandson of the late Samuel Stevens, a former well known resident of St. John, has been appointed to an important position in the British army service, he having been gazetted quartermaster general of the forces. Major General Cowans is a nephew of the late Mrs. James Harbottle; Mrs. Struan Robertson and Keith A. Barbour are cousins.

THE BOOM COMPANY AND MR. KIMBALL

Fredericton, June 18.—John A. Morrison, one of the directors of the St. John River Log Driving Company, called attention to an item in the Telegraph today and authorized the publication of the following statement: "I am the only so-called Tory director of the St. John River Log Driving Company, and I think I am the only Tory member of the Company."

At the special meeting of the directors of the company at which a resolution was unanimously passed dispensing with the services of George Kimball as foreman of the Mitchell boom, I took no part, sitting absolutely quiet while the resolution was passed. One Liberal director made the motion that Mr. Kimball's services be dispensed with, another Liberal director seconded it, and it was put by the Liberal president of the company, with whose approval it met, and was unanimously carried.

The action of the St. John River Log Driving Company directors in Mr. Kimball's case is exactly the same as the Liberal pursued in other instances. In the last Dominion election campaign, Lewis H. Bliss, who was then secretary of the company, was speaking at public meetings in the interests of the Conservative party. He was notified by the management that such action would mean his resignation at the close of the year. A change of government took place at Ottawa in the meantime and Mr. Bliss is now postmaster of Fredericton.

"Go to the ant, you sluggard," said the philosopher, "or you will be compelled to call on your uncle."

MEETING OF MEDICAL ASSOCIATION TO BE HELD NEXT AUGUST

Reduced Railway Fares and Special Arrangements will Make Edmonton the Mecca of Physicians.

The annual convention of the Canadian Medical Association is to be held at Edmonton this year, from August 10th to August 14th. Dr. H. G. Mackid, of Calgary, is president. On the occasion of this gathering it is proposed to inaugurate a new system of registration for the Dominion. The necessary legislation to bring about the proposed change has been passed by the Dominion parliament and by all the provincial legislatures. Under the proposed system, all certificates already issued to existing practitioners by the various provincial medical boards will be accepted by a Dominion medical board, which will then take over the examination of all medical men seeking to practice, and certificates issued by this board will enable the holders to practice in any part of the Dominion of Canada. An excursion to the famous Yellowhead Pass has been arranged as a pleasant termination to the convention. A special train is to be placed by the Grand Trunk Railway, at the disposal of those who wish to take the trip.

The arrangements with the railway companies are that members attending the convention (and this will include their wives), will get single fare for the return journey, providing there is an attendance of 100 from at least one Canadian. That number will be easily obtained, so that no more favorable opportunity for an outing can be offered the profession; one combining business, a holiday and a pleasure trip. The single fare rate is being made by the direct route to Winnipeg and Edmonton, or the western gates can travel by the Lake Shore, landing at Fort William, thence by rail, at a slightly additional figure, to the Canadian Pacific, where berth furnished on the steamers; or the members may go or return via Chicago.

Meeting this year holds fair to be a most interesting one on the scientific side. Dr. A. Gilles, a prominent surgeon, of London, England, is to deliver the address in Surgery, and Dr. A. D. Blackadar, of Montreal, the address in Medicine. A large number of interesting papers have already been promised. There will also be a public lecture by Dr. Adams, of Montreal, M. J. Sturms, Hospital Administrator, Chicago, will illustrate public lecture during the convention on "The Economics of Hospital Planning and Management." Qualified medical practitioners in good standing are eligible for membership in the association, and it is hoped that a great many who are not at present members will take advantage of this meeting to make the trip to Edmonton, which will be most pleasurable as well as profitable.
