<text><text><text><text><text><text>

Honolulu, Nov. 9, (via San Francisco, Nov. 16)—Robert W. Wikox, the Inde-pendent Royalist candidate, has been elected Hawwian delegate to congress, by a small majority over Samuel Parker, Re-publican. Much depression has resulted among all whites, as Wileox was strongly opposed by Republicans and Democrats alike. His comparing was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of his campaign was an anti-white canvas, with promises on the part of some of the notorious condition of affairs, one of them was told by the police cap tain that he lied; and that when disheart-cond by such an experience, the clergy-man carried his complaint to a higher pluradity. The Democratic candidate, Prince David Kawamaakona, received only about ogethird as many votes as Parker.

and that, though Lord Rosebery follows many others in Indicating the difficulties controuting the similar to out to the remedy.
Accounts Must Be Audited.

Thorne, of the Union Bank, Halifax. Montreal was decided upon as the next place of meeting. In the evening the visiting members were dined by the local bankers. Knot exercise the second sec

#### Ministers and Laymen to Judge Rev. C. C. Burgess.

When apoplexy does not kill its victim outright one of two things occurs—either the patient slowly recovers, the brain clot becoming absorbed, or secondary inflam-matory changes take place in the brain membranes, and also in the brain sub-stance, which finally end in stupor and depth from the accumulated preserver of Wolfville, Nov. 16 .- The Wolfville Bap-Wolfville, Nov. 16.—The Wolfville Bap-tist church has issued a call for council to sit in judgment on Rev. C. C. Burgess and deal with his ministerial standing. The council will meet next Tuesday and will consist of the pastor and one layman from the following churches: Berwick, Waterville, Kentville, Billtown, Canard, Canning, New Mines, Gaspereaux, Hants-port, Windsor, Dartmouth and Halifax churches. Burgess is the man arrested and tried at Halifax for the abduction of Miss Buck. of Dorchester. death from the accumulated pressure of new disease products. This latter was evidently the case with Mr. Villard, whose demise occurred Monday. When the clot is effused and involves the centres of muscular power paralysis of one or more limbs or of one-half the body results. The sufferer is then render-

Appeal Judges to Review the Papers Next Year.

New York, Nov. 16-Assistant District

New York, Nov. 16—Assistant District Autorney Osborne, who conducted the prosecution in the Roland B. Molineaux case, gave buck all the papers in the case today to Recorder Goff. The assistant district attorney has made several hundred suggestions, chiefly for shorting the reading matter, so that the papers can be gone over by the judges. Mr. Osborne said that it would probably be some time in the beginning of 1901 be-fore the case will reach the Court of Appeals. there is a partial recovery another is likely to follow. Usually it is understood that the third seizure is always fatal. There is, however, no special reason why Appeals.

## Trying a Big Gun.

There is, however, no special reason why this should be the case, and it is a mere incident in the history of the disease. In fact, there is no rule which can govern this limited liability as to the ac-tual number of attacks, as everything de-pends upon the real damage done at the time. Thus the first, second or third stroke is on virtually the same par, con-idering that the average limit from the Washington, Nov. 16-Important tests of the new 12-inch naval gun, the type of the great guns to be furnished the new sidering that the original invitation to accident is always present, and the con battleships and armored cruisers, have ditions which govern the result are of been in progress yesterday and today at Indian Head proving ground. The gun is the first of 40 for the new ships and much interest has been shown in its per-formances. The firing thus far has just-fied every expectation as to the new

# Secretary Long Would Reward Heroes of

Speculation on His Future Relations With a Hostile Government.

St. John's, Nfld., Nov. 16 .- The New-Washington, Nov. 16-It is understood foundland general election being virtually over, much speculation is now indulged in that Secretary Long will renew his recom mendation to congress for fitting recognition of the gallantry of officers who dis regarding the next move. Mr. Bond's un-qualified victory makes it certain that Mr. qualified victory makes it certain that Mr. Reid, the contractor, will be unable to procure government sanction for the transfer of his concessions to a limited liability company unless he consents to abandon certain properties now included tinguished themselves during the Spanish American war, with probably a simila recommendation as to those who have performed conspicuous service in China. The recommendation will follow the general lines of that made to former

abandon certain properties now included in his contract. Apparently he is disinclined to alter his ante-election attitude and a prolonged struggle is expected.
