

## FORTY-FOURTH ANNUAL REPORT

—OF THE—

## Managing Committee of Knox Church

*For the Year Ending 31st December, 1887.*

In presenting their Annual Report the Managing Committee do so with sincere thankfulness to God for the very large amount of prosperity which the congregation has enjoyed during the past year.

By referring to the Treasurer's Report it will be seen that the collections by envelope amount to \$4999.71; loose collections, \$1184.24; and the special collections to \$961.56, making a total of \$7145.51. And after meeting all current expenses and paying off \$2,000 of the mortgage debt, there still remains a surplus of \$555.82, \$400 of which is held as payment for seats for the new School and Lecture Room, which was voted at the last congregational meeting.

The number of subscribers by envelope has increased from 361 to 405, and the contributions from \$100.60 to \$105.30 per Sabbath.

The arrears due by envelope amount to \$181.00.

The very marked success which has attended the policy recommended by your committee during the past two years, of asking for special collections in the months of June and October for reducing the mortgage debt, has been such that your committee recommend that the same course be followed during the current year.
