

"A PAIR OF WINNERS."

The Master of Hard Material

The "Austin" Gyratory Crusher

Made in Several Sizes.

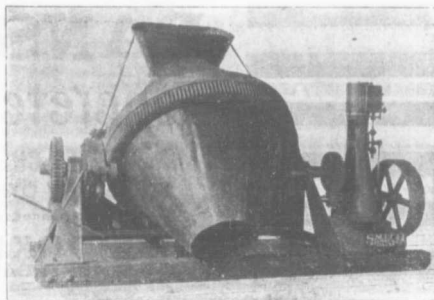

All sizes are capable of turning out a uniform product with a minimum of repairs.

Wearing parts are arranged in such a way that they may be quickly and economically renewed.

The "SMITH" **CONCRETE MIXER**

is the machine you need if you want good concrete.

It mixes rapidly and soon pays for itself.

FURNISHED

On Trucks or Skids.
With or Without Power.
