NA-DRU-CO

Formulae Have Been Well Tried Out

Though the NA-DRU-CO line of Medicinal and Toilet Preparations have been on sale for a few months only, don't think for minute that in buying NA-DRU-CO goods you are experimenting with new or untried preparations.

Their Origin

The twenty-one wholesale drug firms now united in the "National" had all of them lengthy careers, some for fifty to one hundred years, prior to the union. Each firm had acquired or developed a number of valuable formulae for medicinal and toilet preparations, all of which became the property of the "National".

Since the union our expert chemists have carefully gone over these formulae and selected the best for the NA-DRU-CO line. Every formula has been carefully studied by these experts, improved if possible, and then thoroughly tested again, in actual use, before we consider it good enough to bear the NA-DRU-CO Trade Mark.

An Example

A good example of what we mean is NA-DRU-CO **Nervozone** for Brain Fag or nervous break-down. The formula was pronounced the most scientific combination of nerve medicines, but this was enough for us; we had it tried out with a dozen different kind of Brain workers—School Teachers, Lawyers, Book-keepers—as well as Society leaders and home workers, and everywhere the result was so good that we adopted it as one of the best of the NA-DRU-CO line.

There are therefore **no experiments** among NA-DRU-CO preparations. We have invested altogether too much time, work and money in the NA-DRU-CO line to take any chances of discrediting it with preparations that might not prove satisfactory. We make **absolutely certain** that each preparation is **satisfactory** before we endorse it with the NA-DRU-CO Trade Mark.

Ask your physician or your druggist about the firm behind NA-DRU-CO preparations and about the NA-DRU-CO line. They can tell you, for we will furnish them, on request, a full list of the ingredients in any NA-DRU-CO article.

"Money Back"

If by any chance you should not be entirely satisfied with any NA-DRU-CO article you try, return the unused portion to the druggist from whom you bought it and he will refund your money—willingly, too, because we return to him every cent he gives back to you.

If your druggist should not have the particular NA-DRU-CO article you ask for in stock he can get it for you within two days from our nearest wholesale branch.
