Canadian Institution
for
Canadians

Look over your locks today

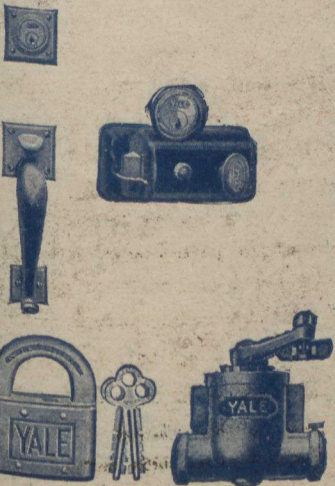

Likely enough you will confirm your judgment that your front and back doors are doubtfully locked. Reinforce them with Canadian made Yale Cylinder Night Latches --unpickable and secure.

Then, those outside doors on garage and cellar—they would be really guarded by a Canadian made Yale Padlock, the uncomplaining, never-failing watchman.

Look over your locks today. Then see your hardware dealer. He will sell you the Yale locks and hardware you need—Canadian made Yale locks and hardware with the trade-mark "Yale" on them. See that trade-mark and you can be sure of real protection and enduring service; it is always on Canadian made Yale products — Night latches, padlocks, door closers and builders' hardware.

PARTRIDGE TIRES

THE finest rubber and cotton are built by hand into Partridge Tires —inspected and tested at every stage, and brought to a standard of perfection that practically renders adjustments unnecessary.

Let your next order be Partridge Tires—the Non-Skid tread for the rear wheels; Guides for the front. Sold by all Garages.

You will find Partridge Tubes as good as the Tires.
