**WE NEED YOUR COOPERATION
667-3333**

The Campus Escort Service is booming due to many requests. While our dedicated staff is attempting to maintain our fast and friendly service, we sometimes get backed up with calls. Here's what you can do to help us maintain and improve our service:

- 1) Do not call for an escort ahead of time, unless absolutely necessary.
- 2) Give your complete name and the origin and destination of your escort to the dispatcher.
- 3) If for some reason you have to cancel, please let us know immediately.

Your cooperation in this matter, will help us to serve you better.
