

The Streetsville Tyke Tournament was a big success as evidenced in the picture above. The action was great. The teams came ready to play good exciting hockey. Full credit should also go to the organizers of the tournament who did a "super-efficient" job. The championship round is scheduled for this Sunday afternoon, and should be a must on everyone's calendar.

The goaltender in this case is Trevor Haws of Cooksville in the minor atom "B" series.

Kick-off is at 3 p.m. at the Sheridan College ground on the Q.E.W. South Service Road (South, Sheridan Way) between Southdown and Mississauga Roads. Changing facilities are just around the corner at Lorne Park Secondary School, Lorne Park Rd.

First game at Sheridan is Saturday April 11th against an Irish Canadian team, kick-off 3 p.m.

A full Saturday list has been arranged through late June, and with new members coming along weekly, arrangements are under way for an additional Sunday team to be fielded starting in April.

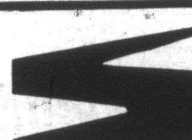

The club has also entered the new Ontario Intermediate Knockout Cup, to be played in May and June, which has attracted entries from London to Kingston. After a first round bye, the club will meet either Georgetown or Toronto Pirates.
