

was Expired he told the Sachins that he was going home
 wherem they desired him to come again because he was
 good & Charitable to the poor therefore we desire he may
 be our friend and go with us when ^{we} go home. we desire
 also for an armourer who can mend our locks & arms -
 Such a man lives at Schinechtady. ~~as we~~ desire also of
 andries nak may go in Company with the smith that
 he may be instructed in the Indian language -

We desire that when y^e smith & armourer go up. they
 may bring all their tools with them gave a few things

His Ex^{ty} told them that he had something to offer
 on what they had said in answer wh^{ch} is all these
 words

The Governours answer to the Indians of the 6 Nations

I have a few things to say to you
 upon what you have spoken to me since
 you desire it earnestly I will write to y^e King
 my master in a pressing manner that he
 may perswade y^e King of France to order y^e
 Fort at Jagara to be pulled down as to what
 you said with out a bell that you desired a
 wise man to meet Jan Cour at Onondaga
 that you might find out what false stories
 have been spread on either side. I think
 your own Experience for so many years
 past may sufficiently convince you that
 all false stories have come from y^e French only
 and that this Government has always spoken
 y^e truth to you and I think you ought not to
 suffer Jan Cour to come among you since
 he has always filled your Ears with such
 groundless reports for which reason I will
 not send any person to speak with him
 it would be doing him an honour which
 he does not deserve. But I will send a proper
 person to stay among y^e Senecas this winter
 who will answer them any Questions which
 they shall ask him and to whom I expect
 they will Tell all the reports that the French
 spread among them that he may show
