

PLACE	DATE	TIME	SUMMARY OF EVENTS SHEET 4 , Page 7	REFERENCE TO APPENDICES
	20-6-41		Very hazy- local flying. The Chief of Air Staff and Air Commodore Leckie paid us a visit. While they were in the Control Tower, 403160 LAC Brittingham, R.A. ground-looped Harvard 2685, a "C3" crash.	X
	21-6-41		Cloudy with scattered showers. Normal local flying. Flight Lieutenant H.B. Wood, posted to this Station as Adjutant to replace F/L Haig, who is going to A.F.H.Q.	
	22-6-41		Terrifically hot and muggy - uncomfortable to all. Air Vice Marshall Croil accompanied by his aides paid us a short surprise visit. Five Members of the House came out to look over the Station.	
	23-6-41		Normal flying.	
	24-6-41		Weather cloudy with scattered showers. No local flying, no cross country. F/L L.G.D. Fraser arrived from Claresholm and took up the duties of Examining Officer for No. 1 Squadron. Night flying cancelled due to lack of personnel, "innoculation".	
	25-6-41		Normal flying.
