March 30th 1918.

Dear Mr. McKenzie King,

With reference to your letter of March 28th, His Excellency regrets that it will not be possible for him to attend the Canadian Club luncheon on Saturday 13th April. He hopes, however, that you and Mr. Rockefeller will take luncheon at Government House on Sunday, 14th April at 1.30 p.m., as it would enable His Excellency to have the talk which he much desires with Mr. Rockefeller, and at the same time enable him to catch his train to New York. I trust this suggestion will meet with your approval.

Yours very truly,

*H. G. Henderson*

Lt. Colonel,  
Military Secretary.
