General Victor Williams,
Commissioner,
Ontario Provincial Police,
Toronto, Ont.

My dear General Williams:

I have your letter of 29th.

We have in this organization the very highest regard for your brother, Stanhope. We kept him on after we had let everyone else go of our sales staff-- indeed kept him a long while after there was nothing whatever to be done--and this because of the very creditable performance he gave us and the loyalty he has always shown. If we could afford to keep him on now we would, but I am sorry to say we cannot do so. Have written explaining this to him.

Very sincerely yours,

AM/E.

President.
