

12th Nov. 7✓
Sir,

I have the honor to inform you that this Department is advised that at several points in the Macclata Indian Superintendency, the contract supplies were not delivered on the dates specified in the contract; for instance at Couchichingau Michikosis. In some cases, the ploughs were delivered late. In the Portage la Prairie Agency some supplies were also late. See

W. Clarke Esq.
 Agent in Charge
 Portage la Prairie
 Man.
