I have to acknowledge
the receipt of your letter of the 29th
Ultimo in the matter of the lamps
supplied by you under contract
at Regina; and in reply I beg to
inform you that the Department
is fully aware that \$2.00 is the
contract price for basket lamps.
but in accepting that price a
much better article was expected
than that delivered. As no special
make of lamp was mentioned in
the Tender Schedule the price
quoted by tenderers had to form a
basis
