Ottawa, 26th July, 1915.

The Department has just received from A. Grant, solicitor of St. Marys, a will of the late Mary Quinney, dated the 17th October, 1902. The will, which you forwarded to the Department for approval, was dated the 15th August, 1915. The will forwarded by Mr. Grant should be approved. It appears to be the last will, and the approval of the first will cancelled. I am enclosing this will for identification by which ever one of the witnesses, when the affidavit as to execution. Kindly return these papers as soon as possible.

I am glad to hear that the property, as it now stands will not be affected by the approval of this will since Mr. Quinney, in his own will, conveyed the 15 acres to Mr.

Mr. [Name]

Very truly yours,

L. J. [Signature]
