

Many thanks again for your
good wishes. I hope I may be
able to thank you personally soon.

Affectionately

- Harry

Loise and I wish we
might feel free to ask you to
visit us sometime here, but
knowing your crowded itinerary
we hesitate. I would so like you
to see this property as it is
somewhat like your own, situated
around a little lake about the size
of Kingsmere. Perhaps some day you
will honour us.

I hope weather will be better
able to enjoy the summer weather
than she was a year ago. She is
a plucky, cheerful person and has
been a wonderful help to us all.
