

- (b) (i) in the case of yellow fever not transmitted by *Aedes aegypti*, three months have elapsed without evidence of activity of the yellow-fever virus;
- (ii) in the case of yellow fever transmitted by *Aedes aegypti*, three months have elapsed since the occurrence of the last human case, or one month since that occurrence of the *Aedes aegypti* index has been continuously maintained below one per cent.;
- (c) (i) in the case of plague in domestic rodents, one month has elapsed since the last infected animal was found or trapped;
- (ii) in the case of plague in wild rodents, three months have elapsed without evidence of the disease in sufficient proximity to ports and airports to be a threat to international traffic.

Article 8

1. Each health administration shall notify the Organization of:
 - (a) the measures which it has decided to apply to arrivals from an infected area and the withdrawal of any such measures, indicating the date of application or withdrawal;
 - (b) any change in its requirements as to vaccination for any international voyage.
2. Any such notification shall be sent by telegram or telex, and whenever possible in advance of any such change or of the application or withdrawal of any such measure.
3. Each health administration shall send to the Organization once a year, at a date to be fixed by the Organization, a recapitulation of its requirements as to vaccination for any international voyage.
4. Each health administration shall take steps to inform prospective travellers, through the co-operation of, as appropriate, travel agencies, shipping firms, aircraft operators or by other means, of its requirements and of any modifications thereto.

Article 9

In addition to the notifications and information required under Articles 3 to 8 inclusive, each health administration shall send to the Organization weekly:

- (a) a report by telegram or telex of the number of cases of the diseases subject to the Regulations and deaths therefrom during the previous week in each of its towns and cities adjacent to a port or an airport, including any imported or transferred cases;
- (b) a report by airmail of the absence of such cases during the periods referred to in sub-paragraphs (a), (b) and (c) or paragraph 2 of Article 7.
