The school was prettily decorated
for the occasion and we noticed that
between the Christmas ladders of
evergreens was draped the Union Jack
that was recently presented to the
school. Dr. Bucke, of Kent Bridge,
made a most efficient chairman, his
remarks being particularly well
chosen. The audience was very appreciative and great credit is due the
young people of the section who so
ably assisted M.ss Gregory in presenting such an enjoyable entertainment. After Santa's presentation of
the gifts to the scholars, a group of
them surrounded their teacher and
an address was yead by Charence Stuart, and Ada Arnold and Charlie Elils presented her with a very handsome box containing toilet accessories. Miss Gregory, though completely taken by surprise, made a
happy reply, and the gathering broke
up after singing the National Anthem and amid joyous wishes for "A
Merry Christmas." The amount of
the proceeds, \$24, is a source of congratulation and, after the expenses
are deducted, will leave a good sum
to be invested in books for the library, potures, etc.

BURNS Heart and Nerve Pille.

Are a specific for all heart and nerve troubles. Here are some of the symptoms. Any one of them should be a warning for you to attend to it immediately. Don't delay. Serious breakdown of the system may follow, if you do: Nervousness, Sleepleasness, Dizziness, Palpitation of the Heart, Shortness of Breath, Rush of Blood to the Head, Smothering and Sinking Spella, Faint and Weak Spells, Spasm or Pain through the Heart; Cold, Clammy Hands and Peet. There may be many minor symptoms of heart and nerve trouble, but these are the chief ones.

Milburn's Heart and Nerve Pills will dispel all these symptoms from the system.

WEAK SPELLS CURED.

NO DIFFERENCE.

No distinction is made as to the kind of Piles that Dr. Leonhard's Hem-Reid cures.

The names Internal, External, Bleeding, Blind, Itehing, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of blood in the lower bowel, and it takes an internal remedy to remove the cause.

Dr. Leonhardt's Hem-Reid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found it failed to cure. Money back if it does.

A guarantee with every package. Price \$1.00 at any druggist's, or The Wilson-Frye Co., Limited, Niagara Falls, Ont.

SEEING A PICTURE.

Try te Look at it Through the Eyes of the Aritst Who Painted It.

The first necessity for the proper seeing of the eyes of the artist who painted it. This is not a usual method Generally people look only through their own eyes and like or dislike a pleture according as it does or does not suit their particular fancy. These people will tell you, "Oh, I don't know anything about painting, but I know what I like," which is their way of saying. "If I don't like it right off I don't care to be bothered to like it at all."

Such an attitude of mind cuts one of from growth and development, for it is as much as to say, "I am very well satisfied with myself and quite indifferent to the experiences and feeling and experience of another man indifferent to the experiences and feelings of other men." Yet it is just this feeling and experience of another man which a picture gives us. If you consider a moment you will understand why. The world itself is a vast panorama, and from it the painter selects his subject—not the copy of it exactly, since it would be impossible for him to do this even if he tried. How could he represent, for example, each blade of grass, each leaf upon a tree? So what he does is to represent the subject as he sees if, as it appeals to his sympathy or interest, and if twelve artists painted the same landscape the result would be twelve different pictures, differing according to the way in which each man had been impressed by the scene—in fact, according to his separate point of view or separate way of seeing it, influenced by his individual experience and feeling—Charles H. Coffin in St. Nicholas.
