A Word With Our Readers.

We feel it is a privilege to provide a magazine for Canadian boys and their friends. It is our aim each month to print only the best articles, and yet to have all our selections within the reach of a boy's enjoyment. The Canadian Boy is made literary, patriotic and entertaining. We favor no party in politics, and no sect in religion. We have before us always the attainment for boys of manliness in mind, morals and muscle. We adopt this new form of issue and hope our readers
