TAKES TWO TO MAKE A QUARTEL AND ALSO TWO TO N.A.E AN ACCIDEN

Superintendent Expresses Opinion Tha Noah's Ark Probably Bore Inscription "Safety First," and if it Did Not, it Supported Those Principles, Anyway.

It takes two to make a quarrel and it takes tw make an accident," said Mr. A. Gaboury, superin of the Montreal Tramways Company, las ming when discussing the "Safety First" movemen fore the Montreal Electrical Society, in room 33 neer's building. He also questioned the general on that "Safety First" was known only within

He expressed the opinion that the words were prob ably stencilled on Noah's Ark, and, if they were not, it, had to be admitted that the ark was built with the ressing the importance of the slogan. "Safety First," said Mr. Gaboury, "makes appeal is

ways. In the first place from the standpoint of manity, and, secondly, from the point of view nomy. Accidents are a costly, dangerous waste ther a manufacturer, a public service corporation r a private individual is concerned; the damages ever may be at fault, are a pure loss, while mone iself cannot repay the loss of life and limb. t takes two to make a quarrel and I might say

takes two to make an accident, and the deeper we the Tramways Company have gone into the quesion of educating our men, the more apparent it has he that one party cannot be considered without other, that both must be treated as componen se other, that both must be treated as component arts of the whole, and that each must be taught to sok at the question from the viewpoint of the other. Allisions between tramcars and vehicles are one of most numerous types of accidents, and one that be most easily avoided, if both parties are imbued with the spirit of give and take, and each has due rd for the rights of the other. Street cars must low the tracks; they cannot turn out to avoid an mt, but a vehicle can, and if the motorman will give the driver sufficient time to turn off the t, and if the driver will take the opportunity to m out, accidents of this kind can be avoided easily." Two moving picture films were shown during the ing, one dealing with street car accidents and used by the company in the instruction of its men, and the other called "The Price of Thoughtlessness," tended for the inculcation of the "Safety First" idea school children.

REPORT BOUYANCY **ALL OVER COUNTRY**

on Business; Companies With Business Abroad Little Affected

AGENTS ARE FAIRLY ACTIVE

ne of New Business Considered Remarkable New York Life's War Zone Morality.—Con-servatism Likely in Matter of Dividends.— Optimism Prevails in all Section

New York, December 8.—The effect of the war upon New York, December s.—Free elect of the wat and the life insurance has been a matter of curiosity to those who are interested in the institution and it is not of the Confederation Life. One of the best known in probable that the effect will be clear until after the y Limited, lots 636-35 to 38, part of 646-16, annual statements have been filed. From all parts Company. Limited, fors 500-30 to 50, part of 636-34, gart of 546-39, part of 516-30, part of 636-30, part of 636-39, part of 536-39, part of 5 d \$85-41 to 51, parish of St. Lawrence, containing altogether 56,656 the business depression which followed the outbreak smare feet and situated on Beaumont street. The of hostilities had the effect of actually stimulating the issuance of policies to small business men desirous of

It is practically settled that the value of securities held by life companies all over the country will be figured upon the market values of June 30. It is stated that the values of that state were in some cases higher than those of the previous December 31. It is almost unanimously believed by the insurance commissioners that the values on that date will approximate the values on that date will approximate the companies than those on the selections. Insured for \$1,000.

George Maloney, retried employee, St. John, arterio selections.

There is no evidence that any of the companies sured for \$250. oing business abroad have been affected adversely by Thomas Corbett, retired em the battles. The most active of the American com-panies in the war zone was the New York Life. At the outbreak of hostilities it had 2,400 policyholders in Class B, and 75 cents in Class C. all of the countries involved who were of military age and likely to be called into service.

ortality abroad will be affected by the war," said a New York Life official. "It was never contemplated of course that the whole world was going mad when the company started business. At the same time the payment of death claims is the major purpose of a life company and there are ample funds to make hese payments."

It is stated that the uncertain conditions existing in the financial world will make the companies conservative in the distribution of dividends to the polcyholders. It is stated that caution as to the future value of securities is the reason for this. While there value of securities is the recovery in trade and industrial activity which is now in pregress by this country will continue and grow as the demands. for commodities for export become larger, more numerous and wider spread, the reflection of unsettled

next year. They say that the opening of mills heretofore idle and the resumption on full time of other plants to fill orders have given the people generally a opeful outlook and confidence enough to take a cheerful interest in affairs involving the expenditure of money.

TO AVOID OVERCROWDING AT

period, a public health period, an engineering period, a pharmaceutical period, a municipal and city planning period, etc. In many cases, those organizations of their individual meetings.

In many cases, also, after the Exposition has opened, special studies of all related exhibits will be made by committees appointed for the purpose by the different organizations, and the results of these studies will be incorporated in special syllabi, or outlines, for distribution to members in advance of the meetings, in order that they may readily determine which exhibits should receive particular study, that they may be prepared for the convention work to follow.

In many cases, these syllabi, or outlines, will be incorporated as a part of the 1915 programme. This plan is a radical departure from the hurried, helterspecific and the sylvant and the state of the state of the state of the sylvant and the sylvan artakes of an ingenious turning to account of the fade, with the enemy" propaganda which lately studies will be incorporated in special syllabiles. St.

sona, III. December s.—Announcement was made day of the sale of the Transcript, a morning newsto A. E. Stevens of Chicago, and Post of the sale of the thought has been responded to with not a little enthusiasm by the leaders of many of these bodies.

old Country will be kept up by five vessels of the C. P. R. and Allan line.

The two vessels at the disposition of the Canaydian Pacific Rallway are the Missanable and the Grampian, which has been chartered for three voylinent at the Hotel Cecil. Lieut Parker is a broof Lady Drummond, whose son, Lieut. Guy St. John, N.B., but each alternate steamer will call
