THE PETRIE MFG. CO., LTD., Guelph, Ont.:
Gentlemen,—I am pleased to inform you that the Magnet Cream Separator which I bought from you several months ago has been in continuous use in my dairy of forty cows. It has been very carefully and severely tested, and I am glad to inform you that it has given perfect satisfaction. It runs very lightly, skims well, and separates beyond the capacity guaranteed by you. I have no hesitation in saying that Canadian farmers would find it to their interests to buy machines made in Canada, rather than those imported from foreign countries and assembled in Canada. The reasons are obvious and need no explanation. Yours very truly,

F. W. HODSON,
Live Stock Commissioner.
