ADVERTISE IN THE ADVOCATE

CHLORO-NAPHTHOLEUM DIP

Is a blessing to the farmer whose stock are troubled with lice, mange, itch or other parasitic skin diseases. It is a preventive and cure for hog cholera. Many farmers use it all the time to keep their stock free from disease. Recommended by government experiment stations and prominent breeders all over the Northwest as a

Sure Cure for Mange.

No necessity to permit your stock to suffer with this troublesome disease. You are not experimenting with some new, untried remedy when you use Chloro-Naphtholeum Dip. It has been the standard livestock disinfectant remedy for ten years. Ask for testimonials of farmers and stockmen who are using it.

Shipped in concentrated form. Prepared for use by adding water. Sold by dealers in sealed, trade-marked cans. 1 gal., \$1.50; 5 gals., \$6.75; 10 gals., \$12.50. Send for booklet on "Preventive Treatment of Diseases of Stock."
