the almost unceasing rain storms. This is the more to be regretted as, we are informed there are a number of vessels at the Ferry side, up the rivers, and at Charlottetown wharves, which have been chartered to carry our produce to the sister provinces and the United States, and are now waiting to load. The potato rot has, in a small degrees injured the crop, but taken in the argregate the yield is abundant and of superior quality .-The crop of Turnips surpasses any yield that has been previously known on the Island, and will, it ited, if properly applied, amply make up the deficiency in the hey crop. TO THE LADIES.

The genuine Bulm of Columbia, for restoring the lair. " Long hair is a glory to woman."

It you wish a rich luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition, appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate tubes is filled, by which means thousands have had their hair restored to its natural colour by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from talling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume The city officers were appointed by the fer the toilet it is unequalled. It holds three times as much as other miscalled hair restoratives, and is more effectual.
