A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

THE Warren Church Organ Co.
of Woodstock, Ontario

Have one of the best equipped factories for the production of Church Organs in America, with experienced employees in every department, many having from 20 to 35 years' experience in organ building.
They have built some of the largest organs in America, a recent one, the great organ for the Chautauqua Institution of New York, erected at a cost of \$26,000.00 and has received unqualified praise from the highest authorities.
Every organ produced receives the same care in manufacture whether small or large, the workmanship being equal.
Particular attention is paid to tone qualities.
Our special aim is to have sufficient volume, proper balance and a desirable variety of effect, these being the essential qualifications required in a Church Organ.
We follow the English system of voicing as it is more suitable for devotional services in our Churches than either the French or German systems, while being as fully applicable for such orchestral effects as may be desired.
We fully recognize the importance of the proper mechanical appliances for controlling the instrument and claim our recent organs to be absolutely second to none in this respect.

The Bishop of Salisbury has arranged to sail for New York on September 14, and will not be back in England until Nov. 9. In addition to delivering the Hale Lectures on "The National Church of Sweden," he has promised to preach at the General Convention in Cincinnati on Oct. 5.

The Bishop of Worcester announces in his Diocesan Magazine that the diocese has become possessed of a very valuable property through the gift of the Church House by Mrs. Wheeley Lea. A Board of Management has been appointed under the Diocesan Trustees.
