PALMER-McLELLAN

Trench Boots

THE BOOT FOR SOLDIERS IN FRANCE

No. 511A. Knee High Front Lace. Hand welted and heavy machine stitched sole. Military Heel Plates. Price, post paid \$14.00

BECAUSE they are made of the same Chrome-oil-tanned leather that is used in our famous Palmer-McLellan Shoebacks, which hunters, trappers, and lumbermen swear by, Palmer-McLellan Trench Boots are recognized as the ideal boot for wear at the front.

The boys in France have no chance to dodge the discomforts of the rain, mud, snow and slush in the trenches, on the roads, across the fields, etc.—they practically must live in it day and night.

They need Palmer-McLellan Trench Boots to keep their feet dry and warm, knee high and waterproof all the way up, sturdy enough to stand the hardest wear, yet soft, pliable and more comfortable than ordinary boots—for better for the feet than rubber boots. Trench Boot sizes correspond to ordinary boot sizes, but it is customary to order one size larger than ordinary boot size to allow room for extra socks.

In your order give the size and names of the boots desired, and we will ship them carriage paid to any address in France, England or Canada. Write if you want more information.

No. 511B. Knee High. Heavy Single sole Nailed on and Hub Nailed. Very strong and very comfortable. Price, post paid \$14.00
